# EMPLOYMENT LAW UPDATE

## MARCH 2022

Our seminar covers the most important changes to employment law. Aimed at HR professionals, decision-makers, and business owners, we always cover what is topical and advise on all the need to know cases and legislation.

The seminars will be hosted by our approachable Employment Lawyers, Joanne Holborn, Tom Scaife, Caroline Rayner & Heather Bottomley.

You will leave the session with a real understanding of how to apply your knowledge to the workplace. You will also have the opportunity to ask any questions during the course of the seminar and to network with other HR professionals and business owners.
